3. Upload each student's recording to YouTube (see tutorial on following pages), titled with their Student ID (Teacher Code + Student Initials). Include the composer and title in the description field.
4. Register each student and upload their recording by October 22
 - a. A link for a google form will be available prior to the registration date.
5. Mail Payment and Music to Laura Crumbleholme by October 22nd.
 - a. \$14 per student
 - b. On music, write the following:
 - i. Composer
 - ii. Title
 - iii. Student Level (Elementary, Intermediate, Senior)
 - iv. Student ID Number
6. You're Done. Congratulations!
